Background

The *UCLA Journal of Law and Technology (JOLT)* is dedicated to publishing cutting-edge scholarship on technology law issues. Our articles address hard and soft IP, artificial intelligence, privacy law, antitrust, and trade secrets, as well as other topics.

Manuscripts

JOLT welcomes original article and comment submissions by academics, professionals, government officials, and students. All submissions should include an abstract, manuscript, and CV. Manuscripts must comply with Bluebook rules and should be in Microsoft Word format. We prefer to publish works that are between 10,000 and 25,000 words, including footnotes. We do not publish works over 30,000 words. We prefer submissions through Scholastica. If that is not an option for you, please submit your materials to JOLT@lawnet.ucla.edu.
